

1.1.1 Curricular, Planning and Implementation

The institution ensures effective curriculum delivery through a well planned and documented process.

The institution provides a range of subject option to the students of different streams: humanities, science and technology. The curriculum for these courses is designed and revised from time to time by PU Chandigarh during the meetings BOS. Various extension lecturers, talks, assignments etc were arranged to engage students in meaningful discussion on moral, ethical and social issues in order to provide a platform for interdisciplinary interaction among students and staff. The teachers have the freedom to initiate and innovate in the way they want to teach.
